

ReLaunch Volusia – Small Business Reopening Grant Program Frequently Asked Questions

Question 1

Do I still qualify if I have received PPP, EIDL or insurance money?

Answer 1

If your Net Negative Impact (loss) is \$3,000 or greater, you will qualify for the grant. For example, if you experienced a total of \$100,000 of loss/expense, and have received \$95,000 in PPP dollars, your NET Negative Impact is \$5,000. \$5,000 is greater than \$3,000, therefore you qualify for the grant. ($\$100,000 - \$95,000 = \$5,000$. \$5,000 is the Net Negative Impact)
